

In Norbrook we pride ourselves in being one of the top 11 companies in Northern Ireland and in the top 15 veterinary pharmaceutical companies globally. We develop & manufacture veterinary medicines, supplying products to 120 countries globally. With a strong portfolio of existing products and significant investment in R&D to launch new products annually, we have opportunities for individuals to join us and develop their career in a global company.

Our business strategy is supported by our Values – Customer Value, One Team, Results Driven, Excellence, Innovation, and Quality – and we support our employees to live the behaviours that creates our culture. Our on-going success is based on the expertise, knowledge and innovation of our employees. If you are interested in joining our team here at Norbrook and supporting our vision, then apply for this role.

Job Overview

QA Packaging Compliance Officers work directly on the lines giving assistance and guidance to packaging operators.

Main Activities/Tasks

The successful candidate will be primarily responsible for Quality checks and routine monitoring of the set-up, operation and compliance of all packaging line operators from a quality perspective, working closely and in conjunction with existing production packaging line staff ensuring good standards of GMP and Data Integrity to ensure materials being packed are compliant and according to the customer specific requirements. They will liaise closely with packaging and quality teams to address any issues which may arise and be required to communicate with other departments throughout Norbrook in relation to Complaints, status labelling of product, quality of product, product launches etc.

Essential Criteria:

- Successful candidate will be educated to a minimum of GCSE level or equivalent with passes in English and Maths Grade A-C
- Working Knowledge of GMP requirements within a pharmaceutical industry.
- Have the ability to communicate effectively across a chosen range of inter-departmental levels
- Ability to work a shift pattern

Desirable Criteria:

- Previous Experience of Packaging operations
- Good Knowledge of Quality Standards

Duration: Full time, permanent

Location: Newry, Co. Down

Remuneration: Salary Attractive

Benefits: Free Life Assurance, Company Pension Scheme, 30 days annual leave, Wedding Leave, Employee well-being initiatives, Healthcare plan, Company Sick Pay, Employee Assistance Programme, On-site free parking, Canteen Facilities, Employee Perks scheme, Discounted Car
