External Advert – Hygiene Assistant

In Norbrook we pride ourselves in being one of the top companies in Northern Ireland and one of the top veterinary pharmaceutical companies globally. We develop & manufacture veterinary medicines, supplying products to 120 countries globally. With a strong portfolio of existing products and significant investment in R&D to launch new products annually, we have opportunities for individuals to join us and develop their career in a global company.

Our business strategy is supported by our Values – Customer Value, One Team, Results Driven, Excellence, Innovation, and Quality – and we support our employees to live the behaviours that creates our culture. Our on-going success is based on the expertise, knowledge and innovation of our employees. If you are interested in joining our team here at Norbrook and supporting our vision, then apply for this role.

Job Overview

Reporting to the Facilities Manager, the successful candidate will work as part of a team, ensuring that levels of cleanliness are maintained at a level required in the pharmaceutical industry, both in interior and exterior areas. Duties will include general cleaning such as brushing & mopping floors of production areas, washrooms, locker rooms, main factory walkways and stairs. Duties will also include dusting, polishing, using vacuum cleaners & scrubbers and restocking washrooms and PPE consumables.

Main Activities/Tasks

- Washrooms & locker rooms to be cleaned at set frequency.
- Adherence to cleaning checklists.
- Waste materials to be removed from factory areas on a timely basis.
- Replacement waste receptacles must be thoroughly cleaned before being taken inside the factory.
- Any other duties as deemed by management.

Essential Criteria:

- Excellent communication skills with the ability to work as part of a team.
- Must be able to demonstrate their initiative and have the ability to work under minimum supervision.
- Substantial experience within a hygiene role.
- Observant of poor housekeeping practices & address these.

Desirable Criteria:

- Previous hygiene experience in a factory environment.
